President's Message:

Ronald R. Ezell

WOW! What a convention!

Our 10th Annual Convention last month in Nashville was one of the finest ever for NAPPS members. It was great to see so many people in attendance. It was just about all you could hope for...a great hotel, good Southern cooking and foot-stomping hillbilly music.

Some of the members stayed over and spent an evening on

the General Jackson sternwheeler, and others visited many of the local sights.

I extend my congratulations to all those who were elected to the Board of Directors, especially to those three who are new to the board.... **Thomas MacDonald, Jerry Menichini and Paul Tamaroff.**

Several committee assignments have been made and I will be making others in the near future. I very much appreciate all those who have come forward and offered to work for NAPPS during the coming year.

We are just getting our feet wet in a very important area - serving process in foreign countries. We have met with representatives of the International Association of Sheriff Officers and Judicial Officers, and we have sought the counsel and advice of **Bruno A. Ristau**, a noted authority on this subject. We don't have all the answers at this point, but it's a subject that will get our close attention in the coming months, starting with our first board meeting on July 25 in Portland, Oregon. Interested members are invited to attend.

I thank all those who elected me President and I look forward to serving the Association this year.
