Dear Mr. Blum,

I am taking this opportunity to thank you for joining us at the NSA Annual Conference in Indianapolis. Your presentations before the Board and the Court Security Committee were well received and informative as NSA moves further into the arena of International Service of Process.

I appreciate the assistance NAPPS has provided in helping forge the relationship between NSA and UIHJ. The potential partnership between the two makes sense given the long and successful history our Nation's Sheriffs have in the area of service of process.

I look forward to continuing our working relationship in the future to make a difference for the men and women in law enforcement. Please do not hesitate to contact my office at (985) 449-4420 if you have any comments or concerns that could be helpful.

Sincerely,

A handwritten signature in cursive script that reads "Craig Webre".
