SERVICES FOR ATTORNEYS

COMMITMENT TO EXCELLENCE

Since starting the business, the principals of B & R, Frederic Blum and Mitchell Rubin, have demonstrated a commitment to excellence by playing a dynamic and influential role in the industry on the local and national levels. As founding members of the National Association of Professional Process Servers they were instrumental in developing and maintaining industry-wide ethical standards for process servers. Today, Fred and Mitchell continue to maintain leadership positions in some of the industry's most important professional associations. For more than a quarter of a century, attorneys throughout the country have relied on B & R's knowledge and skill for court filing, court reporting, process serving and investigative needs.
