Subject: National Association of Professional Process Servers

Dear Mr. Scott:

This office represents the National Association of Professional Process Servers ("NAPPS"). As you are well aware, your NAPPS membership was terminated as a result of your violation of the NAPPS Code of Ethics. Accordingly, you no longer enjoy the privileges incident to NAPPS membership.

It has come to our attention that you continue to bombard NAPPS' members with multiple e-mails slandering and placing in a false light members of the NAPPS board and its administrator. In addition, your statements question the truthfulness and motives of these individuals. We hereby demand that you cease and desist this behavior or we will commence legal proceedings against you.

In addition, your website (<http://napps.randyscott.us>) uses the acronym "News Aggregation for Professional Process Servers (NAPPS)." Please be advised that the term "NAPPS" is trademarked. You are not authorized to use the acronym NAPPS and doing so constitutes, in our view, an intentional attempt to elicit confusion in the process serving industry. Accordingly, we demand that you immediately stop using this trademarked acronym or we will commence legal proceedings against you.
